

WINDYBANKS FISHING CLUB

2023 SALTWATER CHAMPIONSHIP

JIMMYS BEACH

GENERAL RULES & CONDITIONS

- The 2023 Windybanks Fishing Club (WBFC) Saltwater Championship is a Catch and Release Only tournament. Both bait and lure fishing methods are accepted.
- The target species are listed in the Competition Point Score Table. The points are based on the length of each fish, refer to Competition Point Score Table for detail on points awarded for each species.
- Each competitor will be awarded points for their best **X** fish of each species, where **X** is the Bag Limit number listed in the Competition Point Score Table.
- Each competitor will be awarded points for each species caught over the duration of the tournament.
- A bonus points system shall apply for the number of designated species measured by an individual angler. Refer to Competition Bonus Points Table for details on bonus points.
- Every fish must meet both NSW DPI legal length and Competition Point Score Table minimum length requirements to be scored
- All competitors must have a current NSW fishing license and comply with NSW Fisheries regulations.
- Each competitor must hook and land their own fish, however, may have assistance with landing (netting).
- Competitors must fish with a maximum of 4 lines in the water at any one time.
- Please handle fish as best as you can for a safe release. Photos of bleeding, damaged or dead fish will not be accepted as the tournament is exclusively catch and release.
- Any competitor found in breach of these rules and conditions shall be subject to disqualification from the competition. The organizers reserve the right to disqualify any competitor who fails to act in the spirit of the competition; or acts in a manner that may bring the event into disrepute.
- The decision of the organizers is final, and no further discussions or correspondence will be entered into.

RECORDING YOUR CATCH

- All Fish being entered must be photographed using a DPI brag mat. The photo must be clear, include the anglers ID card with the nose of the fish touching the stopping board and the end of the tail clearly visible.
- Garfish are measured from the bottom (shorter) jaw to the tail, with a minimum size of 25cm. Garfish are to be measured with the tail of the fish touching the stopping board and the end of the lower jaw clearly visible.
- ONLY if a fish is too large to boat and/or measure on a brag mat i.e., marlin, then a tape measure may be used with the fish in the water alongside the boat. A photo with the tape measure in place along the entire fish's length showing the angler and a second photo zoomed in to the total length measurement is required.
- Fish will not be accepted if the ID card is missing from the photograph.
- Please take additional photos of the angler holding the fish so we can have them on display on WBFC social media.
- During the official weigh in you will be required to supply photographic evidence of your fish.
