

# WINDYBANKS FISHING CLUB

# 2023 Windybanks Challenge GENERAL RULES & CONDITIONS

- The 2023 Windybanks Challenge is a Catch and Release (C&R) and Capture tournament. Both bait and lure fishing methods are accepted.
- The target species are listed in the Competition Point Score Table. The points are based on the weight of each fish, refer to Competition Point Score Table for detail on points awarded for each species.
- Each competitor will be awarded points for their best **X** fish of each species, where **X** is the Bag Limit number listed in the Competition Point Score Table.
- Only fish species listed in the attached C&R List with weight for length conversions can be measured, photographed and released, and a point score allocated.
- Each competitor will be awarded bonus points for each species caught over the duration of the tournament.
- A bonus points system shall apply for the number of designated species presented by an individual angler at the weigh-in. Refer to Competition Bonus Points Table for details on bonus points.
- Fish species listed in the Competition Point Score Table, but not listed in the attached C&R List can be
  photographed and released, and count towards the angler's species bonus points. A point score will not be
  allocated for entries of this type.
- Every fish must meet NSW DPI Legal Length and Competition Point Score Table minimum length requirements to be scored.
- Every competitor & boat crew must meet NSW DPI size limits including slot limits, bag limits, boat limits & possession limits at all times.
- All competitors must have a current NSW fishing license and comply with NSW Fisheries regulations.
- Each competitor must hook and land their own fish, however, may have assistance with landing (netting).
- Competitors must fish with a maximum of four (4) lines in the water at any one time in tidal (saltwater) and a
  maximum of two (2) lines in the water at any one time non-tidal (fresh) waters within NSW.
- If measuring and releasing a fish, please handle fish as best as you can for a safe release. Photos of bleeding, damaged or dead fish will not be accepted.
- Any competitor found in breach of these rules and conditions shall be subject to disqualification from the
  competition. The organizers reserve the right to disqualify any competitor who fails to act in the spirit of the
  competition; or acts in a manner that may bring the event into disrepute.
- The decision of the organizers is final, and no further discussions or correspondence will be entered into.

#### **RECORDING YOUR CATCH**

#### Capture

- All Fish being entered must be presented gilled and gutted and in fresh condition (not frozen).
- Exception for this rule is that club records can be caught and weighed in anytime and not gilled or gutted. Fish
  eligible for record status shall be weighed on the club scales by the Weighmaster.

#### Catch & Release

- All Fish being entered must be photographed using an official club approved brag mat. The photo must be clear, include the anglers ID card with the nose of the fish touching the stopping board and the end of the tail clearly visible.
- Garfish are measured from the bottom (shorter) jaw to the tail, with a minimum size of 25cm. Garfish are to be measured with the tail of the fish touching the stopping board and the end of the lower jaw clearly visible.
- ONLY if a fish is too large to boat and/or measure on a brag mat i.e., marlin, then a tape measure may be used with the fish in the water alongside the boat. A photo with the tape measure in place along the entire fish's length showing the angler and a second photo zoomed in to the total length measurement is required.
- Photos of bleeding, damaged or dead fish will not be accepted. Please handle fish as best as you can for a safe release.
- Fish will not be accepted if the Anglers ID card is missing from the photograph.
- During the official weigh in you will be required to supply photographic evidence of your fish.

#### **COMPETITION TIMINGS & BOUNDARIES**

**Briefing:** A briefing for all anglers will be held at the WBFC social meeting, 7pm Thursday April 6<sup>th</sup> 2023 at the Asquith Bowling Club. If anglers cannot attend, this document contains all the relevant information.

**Start Fishing:** Fishing begins Friday 14<sup>th</sup> April 2023 at **12:00pm**, anglers must not commence fishing or berleying before designated start time. Bait gathering and berleying for the purpose of bait gathering only is permitted prior to start fishing.

**Weigh-in:** Weigh-in closes at **3:00pm** sharp Sunday 16<sup>th</sup> April 2023. Weigh-in will be held at The Galston Club outdoor BBQ area. Those in the weigh-in queue by this time will have their fish accepted. The official presentation will commence once results have been finalized.

**Boundaries:** All tidal waters between Norah Head Lighthouse to South Head of Sydney Harbour and non-tidal (fresh) waters within NSW. Any fish not caught within these waters will not be counted.

#### **COMPETITION POINT SCORE**

Fish species that do not appear on the list below will not count towards the competition point score or competition bonus points. Minimum Lengths are total fish lengths measured from the snout to the tip of the tail. Refer to the Capture section on the following page for additional restrictions that apply to captured fish weighed on club scales at the official weigh-in.

#### NSW Fisheries Regulations take preference over lengths and bag limited nominated

#### Legend:

- \* Total of 10 fish combined for Bream & Tarwhine
- \*\* Total of 5 fish combined Amberjack & Samson Fish
- \*\*\* All offshore deep-sea species maximum of 5 fish combined with only 2 Gem Fish & Boat limit of 10
- \*\*\*\* Total of 5 fish combined Spanish Mackerel & Spotted Mackerel
- # Total of 5 fish combined Atlantic Salmon, Brown Trout, Rainbow Trout & Brook Trout
- ## Total of 2 fish combined for Australian Bass & Estuary Perch
- ### Total of 5 fish combined for Albacore, Bigeye, Longtail, Skipjack (Striped) & Yellowfin Tuna

#### Capture

Minimum lengths of fish awarded points per kilogram for competitive purposes. Each competitor will be awarded points for their best **X** fish of each species, where **X** is the Bag Limit number listed in the Competition Point Score Table.

The following additional restrictions apply to captured fish weighed on club scales at the official weigh-in:

- Australian Bass & Estuary Perch: Total of 2 fish combined with only one fish over 35cm if fishing in rivers.
- Murray Cod: Total of 2 fish with a slot limit of 55cm to 75cm. Fish over 75cm are to be released.
- Silver Perch: Total of 5 fish from impoundments only
- Dolphinfish (Mahi Mahi): Total of 10 fish with only 1 fish longer than 110cm
- Dusky Flathead: Total of 5 fish with a slot limit of 36cm to 70cm. Fish over 70cm are to be released.
- Groper (Blue, Brown, Red): Total of 2 fish combined with only 1 fish longer than 60cm.
- Tuna (Albacore, Bigeye, Longtail, Skipjack & Yellowfin): Total of 2 fish combined 90cm or above and total of 5 fish combined under 90cm.

#### Catch & Release

Only the following fish species listed on the attached C&R List with weight for length conversions can be measured, photographed, and released, and a point score allocated:

- Australian Bass
- Australian Salmon
- Bonito
- Bream (Yellowfin)
- Drummer (Black), Rock Blackfish
- Flathead (Dusky)
- Flathead (Bluespotted)
- Garfish to 35cm length
- Golden Perch (Yellowbelly)
- John Dory
- Luderick
- Morwong (Grey) to 50cm length
- Mullet (Sea)
- Mulloway
- Murray Cod
- Snapper
- Sweep to 30cm length
- Tailor
- Tarwhine to 40cm length
- Teraglin (Trag) to 50cm length
- Trevally (Silver) to 58cm length
- Trout (All)
- Whiting
- Yellowtail Kingfish

Capture restrictions do not apply to catch & release, providing the fish is released in a healthy state with an excellent chance of survival. Photos of bleeding, damaged or dead fish will not be accepted.

Minimum Lengths required in the competition point score table are total fish lengths measured from the snout to the tip of the tail. In some of the conversion tables, fork length measurements have been used while in others, total length has been used.

Fork length is measured from the snout to the fork of the tail.

Total length (legal length) is measured from the snout to the tip of the tail.

# **COMPETITION BONUS POINTS**

A bonus points system shall apply for the number of designated species weighed or measured by an individual angler.

Number of Species	Bonus Points	Number of Species	Bonus Points
1	0	10	225
2	5	11	275
3	15	12	330
4	30	13	390
5	50	14	455
6	75	15	525
7	105	16	600
8	140	17	675
9	180	18	755

### **SAFETY**

It is the skipper's responsibility to always look after the safety of the crew onboard the vessel. All skippers must ensure their vessel fully complies with the safety requirements outlined by NSW RMS for vessels. If in doubt, please contact your local RMS office or check the RMS website for full details. The decision to go out will be the responsibility of the individual boat crew and do so at their own risk – IF IN DOUBT - DO NOT GO OUT.
